IEEE Geoscience and Remote Sensing Letters

Dear Dr. Ronny Hänsch,

We appreciate the efforts in finding a suitable Associate Editor and reviewer for our manuscript.

We want to clarify that we focused our revision on the comments provided by the Associate Editor and Reviewer #1. We didn't find the Reviewer #2 comments constructive or specific. Nevertheless, what this last reviewer criticized was also improved thanks to our handling of the other comments.

Yours sincerely,

Alejandro C. Frery  
Professor of Statistics and Data Science
